Board discussed and confirmed the following items:

- The club treasury will not be used to make up the difference should there be a shortage of numbers on the current jersey order.
- Regarding dues: Players may attend practices and use team equipment for free but may not play in league events until dues are paid for the season.
- The club will offer any player who chooses to donate their functional hurling helmet to the club a tax deductible donation waiver of \$50-100.
- Approved purchase of an order of hurleys from the maker Jordan.
- Board reaffirmed that a \$60 subsidy will be offered to each player to help with the cost of attending either the Missoula or Seattle tournaments. Note: The subsidy is only good for one of the two qualifying tournaments and no others.
